CUSTOM IV DRIP OFFERINGS

BASIC B

Is your classic Myer's Cocktail known as the 'gold standard' of IV therapy, providing you with a boost of Vitamin C, Magnesium, B-12, and B-Complex.

BAD & BOUJEE

Takes our Basic B cocktail to the next level by infusing it with 6 amino acids (Glutamine, Ornithine, Arginine, Lysine, Citrulline, Carnitine) and an extra dose of Vitamin-C to leave you hydrated and refreshed to live your best life.

ABOUT LAST NIGHT

You shouldn't be punished for having an epic night! We've got you covered with B-Complex, Magnesium, Zinc, Manganese, Copper, Selenium, and a little "something, something" that will put the pep back in your step.
