

The health and safety of our event guests is one of our top priorities; many protocols have been put into place for your protection. In compliance with current CDC guidelines, the following will be required of all guests. Please take a moment to review the information before arriving at the venue.

When You Arrive

- **FACE COVERINGS:** Per [CDC guidelines](#), to maximize protection from the COVID-19 Delta variant and possibly prevent spreading it to others, it is recommended you wear a mask indoors in areas of substantial or high community transmission, regardless of vaccination status. Note; Hillsborough County is currently a low transmission area ([source](#)). Unvaccinated people should wear a mask in public indoor settings.
- **PRE-REGISTRATION** is required; walk-ins will NOT be accepted for any reason. A printed name badge should be picked up at the registration table upon arrival.
- **PHYSICAL DISTANCING** of at least 6-feet is strongly encouraged when possible.
- **HAND HYGIENE:** sanitizer will be available throughout the venue. Bathrooms are available and you are encouraged to wash your hands for a minimum of 20-seconds before eating.
