

The health and safety of our event attendees is one of our top priorities; many protocols have been put into place for your protection. In compliance with current CDC guidelines, the following will be required of all members and guests. Please take a moment to review the information before arriving at the venue.

**When You Arrive**

- **FACE COVERINGS REQUIRED:** Until further notice, face coverings (masks) are required to be worn at all indoor events at all times except while actively eating or drinking, regardless of vaccination status. The [CDC](#) continues to recommend wearing a mask in public indoor settings in areas of substantial or high [community transmission](#), regardless of vaccination status. Note; Hillsborough County is currently a **HIGH** transmission area.
- **PRE-REGISTRATION REQUIRED:** walk-ins will NOT be accepted for any reason. A printed name badge should be picked up at the registration table upon arrival.
- **PHYSICAL DISTANCING** of at least 6-feet is strongly encouraged.
- **HAND HYGIENE:** sanitizer will be available throughout the venue. Public bathrooms are available, and you are encouraged to wash your hands for a minimum of 20-seconds before eating.
